

## Special Enrollment Notice

If you are declining enrollment for yourself or your dependents because of other health insurance or group health plan coverage, you may be able to enroll yourself or your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within **30 days** after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within **30 days** after the marriage, birth, adoption, or placement for adoption.

Special enrollment rights also may exist in the following circumstances:

- If you or your dependents experience a loss of eligibility for Medicaid or a state Children's Health Insurance Program (CHIP) coverage and you request enrollment within **60 days** after that coverage ends; or
- If you or your dependents become eligible for a state premium assistance subsidy through Medicaid or a state CHIP with respect to coverage under this plan and you request enrollment within **60 days** after the determination of eligibility for such assistance.

Note: The **60-day** period for requesting enrollment applies only in these last two listed circumstances relating to Medicaid and state CHIP. As described above, a **30-day** period applies to most special enrollments.
