Employers [save an average of \\$98](#) per employee per month on out-of-pocket costs, compared to the national average cost for traditional plans.

How it works

Employees choose their out-of-pocket maximum and get care when they need it. Members are prioritizing their health, focusing on maintenance, prevention, and getting diagnosed earlier. When people utilize health care services in healthy ways, they require fewer high-cost services.

Protection that meets your group's unique needs

Comfort is for groups with 15 to 5,000+ employees. Gravie can help you customize a program based on your group's specific needs and risk tolerance. The Comfort plan design is the cornerstone, but traditional plan options may be added if required.

Comfort is a full-stack solution

Gravie goes above and beyond traditional third-party administrators and stop-loss carriers by delivering all the components that go into level-funded and traditional self-funded health plans in one cohesive package.

[The result is a superior health plan and a seamless experience for employers and their employees.](#)

Multi-year rate caps

Ability for groups to lock in a 2-year pricing rate cap

Surgical Underwriting®

Gravie's innovative proprietary approach to underwriting provides more customized rates than traditional methods, supporting better long-term health and helping groups plan for the future.

Integrated stop loss

Groups get the protection that meets their unique needs with stop-loss coverage that integrates seamlessly into the health plan.

No gaps in coverage

Gravie entities provide both TPA services and stop-loss insurance, guaranteeing a seamless member experience.

National network access

Members get access to broad national networks (and regional networks when applicable) with strong discounts, improving access to care at an affordable cost.

Pharmacy benefit manager

Members get comprehensive pharmacy benefits that are integrated into the health plan through Gravie's partnership with CVS Caremark, a leading pharmacy benefit manager (PBM).

Intuitive enrollment and benefits management platform

Members can enroll in coverage, view plan details, and manage their health benefits year-round through Gravie's enrollment and benefits management platform.

Thrill members with value-added services

Gravie partners with health and wellness industry leaders to give members access to a suite of digital services that aim to enhance their health and wellness journey. For many Gravie health members, these services are included at **no additional cost**.

Gravie health plan members (13+) have access to Sword, a clinical-grade digital physical therapy program that helps members overcome back, joint, and muscle pain through personalized care.

Gravie health plan members have access to virtual care including general medicine, dermatology, and mental health (18+) through Teladoc Health, the world leader in whole-person virtual care.

Gravie health plan members (18+) get unlimited access to FitOn's library of 30K+ virtual classes, including cardio, HIIT, yoga, as well as nutrition guides, meal plans, fitness courses, and more. In-person fitness perks are available to qualifying members.

Because we really do care.

When employees enroll in Comfort, they get Gravie Care. **Gravie Care includes support from a dedicated team of licensed experts** available to help members select their out-of-pocket maximum, enroll in coverage, and navigate the complexities of health benefits throughout the year.

The Gravie Care team goes above and beyond, fielding phone calls and answering questions to anticipate members' needs, helping resolve issues before they arise.
